All moldings are available in all finishes, unless otherwise noted. Bold line indicates finished surfaces. Individual sticks of molding are made from individual pieces of wood and may vary in color. Molding stacks are ordered as a kit and if returned, must be returned as a kit. For inspiration and tools to design additional molding build-ups, including buildups inspired by the Molding Stacks, visit Designer Resources at http://resources.shenandoahcabinetry.com/.
Height dimensions are the above-face-frame height when used as shown
Pre-packaged molding kit includes:
- ACM8
- CTM8 WD
- HWC 3/4X3/4X96
Molding Stacks shipped unassembled
Molding Stacks to be cut, assembled and field installed at job site
Only one finish can be specified per Molding Stack
Molding Stack diagram included
Refer to specifications on individual molding included in molding stack
